

We are living and serving at a unique time in a fast changing world. It is important for us to keep focused on our spiritual principals in our service to Al-Anon.

All business regarding signees of the Area's checking accounts were completed in early February. I attended the NY North Officer and Coordinators Meet and Greet on February 27<sup>th</sup> and the Area World Service Committee meeting on March 20<sup>th</sup> via Zoom. There is great potential and wisdom in our Panel 61.

My AMIAS status has been renewed on time. I have reviewed the materials and documentation for the New GR (Group Representative) Orientation meeting normally held the Saturday morning of our assemblies. It will be held virtually on Thursday May 13<sup>th</sup> via zoom. Registration will be on the NY North website.

The NERD (North East Regional Delegates) Conference was held virtually on March 13 and 14<sup>th</sup> this year . Zoom has offered us a new route to carry on Al-Anon Service. It was good to have the opportunity to discuss mutual concerns with the current and past delegates in the North East Region and assist preparing the new Delegates for their first World Service Conference and to hear the Regional Trustee's report.

It was decided at the Fall 2020 Assembly that there will be no NY North Area participation in the 2021 NY State Fair this summer. The extension to 18 days from 10 and the uncertainty of the pandemic makes it impossible to commit. It will be under consideration in the future.

To maintain the Immediate Past Delegate position notebook, which will be passed on to the incoming Officer for Panel 64, I am updating the newest versions of the NY North Area Policy and Guidelines, Service Position descriptions and Alateen Guidelines.

Peace,
