

## Web Coordinator Report – Spring Assembly 2021

Hi! I am enthusiastic about my role as NYN Web Coordinator. There is a huge learning curve for me – although I want to learn! Doing service in Al-anon I am learning to apply the principles of the program to other areas in my life. I am not alone, I ask for help, I keep it simple and I keep coming back keep me focused on what I need to do.

As Web coordinator I hope to update the website! Every once in a while, it's good to take inventory and see if what you have is still working in the way that you want it to. I have a committee to work with and help gather information, ideas and suggestions. I hope meet with them soon and start the process.

I am grateful for the help and support of the previous Web coordinator, Nancy P and Web Technician, Kathi D.

Yours in service,

Ellen V
