

Chairperson's Report AWSC August 2021

I'm still working on filling the Newsletter Editor position. After asking several people, I now have one person who has expressed an interest and is considering it. I'm grateful to Pat H who continues to get the job done.

I registered the Area for the Al-Anon 70th Anniversary Virtual Celebration and held a virtual watch party on our Zoom account. 17 people from NYN attended. I had some major technical challenges to overcome to be able to rebroadcast the event and I'm grateful to my son who spent 3 hours with me working through the details and Ellen who ran a test with me. One of my biggest challenges was getting the word out to everyone in the area with short notice. I welcome suggestions as to how we can improve communications.

The two committees (Finance and Website) and the two thought forces (Considering How to Incorporate Electronic Meetings into the NYN Geographic Area and Assembly Format) have met or have been scheduled to meet.

Gratefully Growing through Service,

Carol C.
