

Chairperson's Report Fall Assembly September 2021

I registered the Area for the Al-Anon 70th Anniversary Virtual Celebration and hosted a virtual watch party on our Zoom account. 17 people from NYN attended.

The two committees (Finance and Website) and the two thought forces (Considering How to Incorporate Electronic Meetings into the NYN Geographic Area and Assembly Format) have met or have been scheduled to meet.

Pat H continues to serve as our Acting Newsletter Editor while we search for another willing and able member to stand for this position. Thank you Pat H!!!!

Gratefully Growing through Service,
