

Basically my report is the same as given for the August 2021 AWSC meeting.

I continue to review the materials and documentation for the New GR (Group Representative) Orientation meeting normally held the Saturday morning of our assemblies. The next one will be held virtually on Saturday, September 18, 2021 from 8:00 am - 9:00 am via zoom. Sign up in a section on the registration form required for the 2021 NEW YORK NORTH AREA FALL ASSEMBLY September 17, 18, and 19, 2021 - "70 Years of Hope and Help 1951-2021" brought to you on Zoom!!! HOSTED BY DISTRICTS 10 & 18 available soon on the NY North website.

Has your home group discussed returning to all face to face, changing to e-meetings only or going hybrid? Zoom has offered us a new tool to carry on Al-Anon Service

The 2022 NERD (North East Regional Delegates) Conference will be held virtually on March 11 and 12, 2022 to insure the safety of all participants during this continued pandemic. NERD gives an opportunity to discuss mutual concerns with the current and past delegates in the North East Region and assist preparing the new Delegates for their first World Service Conference and hear the current Regional Trustee's report.

I participate in the Alateen Interest Meetings (AIM) monthly. Do NY North Al-Anon members talk about Alateen, use Alateen literature, or encourage Al-Anon members to consider serving as an AMIAS in their groups? Alateen IS Al-Anon.

As an officer of NY North I serve as a member of the Area's standing Committees – Finance and Web, as well as the current Thought Forces – Assembly Format and Inclusion of e-Meetings in the Area Service Structure. I am also the chair of the State Fair Committee. Due to the extension of the fair to 18 days from 10 and covid issues, it was decided not to participate this year.

Can't wait to see all your faces and hear your voice NY North.

Thank you for allowing me to serve.

Peace,
Molly C
Panel 61
Immediate Past Delegate
