

Winter AWSC March 19, 2022 Web Coordinator Report

Hello NYN Trusted Servants!

As web coordinator I have been doing many different things:

1 – I answer “contact us” emails – there have been a few – maybe 1 or 2 a month – many I have forwarded to the NYN coordinator who could answer the question.

2 – The website is now being hosted by a new provider; Kathi D made that possible! Thank you, Kathi. After the switch we made the calendar a google calendar – its now easier for me to enter events!

3 – I have been making updates to the website when requested. This includes adding the current Northern Hi lights newsletter every month. Please take time to check it over and let me know of any discrepancies – it takes a village!

4 – I have been working with Maria in Archives to figure out the best way to display the archives on the website.

5 – I add all the reports to the website for the AWSC’s. Organization and patience have been helpful when I do this! From when you send the report to me to when it shows up on the website, I have handled it a few times. I do enjoy learning the “backend” of the website process.

6 - I have a vision of updating the website, changing it around a bit so it would be easier to navigate. I’m sure this will happen when it is supposed to.

Yours in Service,

Ellen V
