

## Report 2022 May Spring Assembly AAPP

Our Alateen groups annual recertification is done .

We have 14 active groups.

Our Amias recertification is almost done.

There are 2 amias who have to finish the alateen training modules.

Their paperwork is in and background checks are done.

They just need time to do the modules.

We have had 4 new amias certified since January.

As AAPP have done regular writings for the Northern Hi Lights, attend the Alateen Networking Group meetings, stay in contact with Mary S Alateen Coordinator and participated with group and individual review of Alateen Training Modules.

Respectfully Submitted,

Mary Doss

AAPP
