

E-Meeting Host's Report for AWSC on March 18, 2023

Since I assumed the role of E-Meeting Host for New York North, I have continued to familiarize myself with the intricate elements of Zoom, the teleconferencing platform we use to conduct the business of NYNAFG. I have grown more comfortable with Zoom in order to serve as the host of our electronic meetings. As I gained more experience, I have been able to service the needs of everyone in the Al-Anon program. I thank my mentors and teachers in this capacity that helped me to grow in this program (both Zoom and Al-Anon).

I continue to host Zoom meetings for our district (District 26), as well as for meetings connected with the churches I serve with in St. Lawrence County. The ability to talk and share what we are experiencing with people from all over New York State has been a major means of reconnecting with everyone. Now that meetings continue to reopen in a face to face or hybrid format, we are returning to some sense of normalcy.

I continue to offer service to members of the Alateen Interest Meeting (AIM). Meetings have been held virtually across the board due to social distancing protocols, but the hybrid format is an alternative that we continue to explore in the days ahead.

I continue to meet with Officers and Coordinators on a monthly basis to share and discuss common concerns via Zoom.

As DR, I also receive the AFG Connects emails which I share with my district members. I have also participated in several forums that relate to district business and Zoom concerns.

Thank you to everyone for their continued love and support as we continue to move forward into a new chapter of service in 2023.

With an attitude of gratitude,

Mike R.
