Suggested Motion:

That we (NYN), on a trial basis, follow the schedule for Assemblies and Conventions below for all of Panel 64 and reflect on how it is going in 2028, the second year of Panel 67.

	Year	Spring	Fall
Panel 64	**2024**	Electronic Assembly	Hybrid Assembly
	2025	Assembly/Convention	Electronic Assembly
	2026	Electronic Assembly	Election Assembly Convention
Panel 67	**2027**	Electronic Assembly	Hybrid Assembly
	2028	Assembly/Convention	Electronic Assembly
	2029	Electronic Assembly	Election Assembly Convention

Reflecting on how it is working after a full panel will allow us to go through the full cycle. Waiting until the 2nd year of Panel 67 will allow new Officers and Coordinators to learn their jobs before thinking about how it is all working.

Second Possible Motion
Form a thought force or task force to determine how to conduct hybrid Assemblies with the possibility of creating a technology coordinator position to facilitate hybrid meetings.
