

# Why Register with WSO?

## Benefits:

Newly registered groups receive a complimentary personalized Group Binder filled with

information and ideas ranging from Group Records to Group Finances. Registered groups receive a complimentary copy of the *Service Manual*.

There is no registration fee. Each group will receive the quarterly appeal letters which give the members an opportunity to participate in the financial support of the Al-Anon family worldwide.

Newcomers and travelers are referred to your group through calls to our toll free meeting line.

Once a year a complimentary copy of *The Forum*, Al-Anon's monthly magazine is sent to each group. *The Forum* is called, "A Meeting in My Pocket", because it is filled with stories of recovery.

Complimentary copies of Al-Anon's quarterly newsletter, *Inside Al-Anon Xtra* are sent. New service tools, service events, and service ideas are found in this publication.

Notice of new recovery material called, *Conference Approved Literature*, is sent to registered groups.

Registration breaks a group's isolation and connects it to Al-Anon's worldwide family.

*Registration with the WSO keeps each group within the Al-Anon circle of hope.*
