

The data collected for this report is from 5/2021 to present day, 7/25/2021

Requests for Certificates of Insurance: 9

Registered new groups: 3. This includes Districts 1,8, and 19.

General Changes such as GR,s, contact people, meeting location changes , return to face to face meetings or hybrid meetings: 40

Communication with districts of NO Meeting Status: 15

Interactions outside the NYN area: 5. These districts were in NYS

I echo what has been said in the past reports about communication. I am so fortunate to have at my fingertips, people that are knowledgeable of procedures and resources. I have received many more requests for group detail changes and COI's since I began in January. I am able to re -direct questions because the referral information is accessible. Keep up the good work everyone!

Respectfully,

Joan L.

Group records coordinator NYN
