

NYN Public Outreach Report Aug 14, 2021

Hi My New York Family,

I received a request for materials for a Day of Sharing that District 6 is putting on. It felt good to be part of the process, We all need to do what we can to get the word out about Al-Anon and Alateen and all it has to offer for those still sick and suffering.

A local church has developed a recovery center in their Fellowship Hall and they have asked the Al-Anon group to provide Public Outreach to support this endeavor as far as books and pamphlets and Forum magazines and AFA's (Al-Anon faces Alcoholism) to have for people to peruse.

Let's see what other people, districts and groups come up with to do their part in providing the action steps to our Al-Anon declaration; **Let it Begin with Me, when anyone anywhere reaches out for help, Let the hand of Al-Anon and Alateen always be there, And Let it Begin with Me.**

Let's use the newsletter as a forum to report ideas that others have so we can all be inspired. Let's show our Enthusiasm and Gratitude for the help that was so freely given to us by sharing our program with others. **In Order to keep It, We must give it Away.**

**Yours In Service
