

# Rochester AIS Report

## AWSC Meeting

### August 2021

Rochester AIS has purchased a Zoom account for virtual groups to use following AIS guidelines.

Groups in our area can contact [webcommittee@aisrochester.org](mailto:webcommittee@aisrochester.org) for further information.

Our Outreach Committee continues to meet every 3rd Wednesday of the month, except in August, to reach out to the families and friends of alcoholics to share our literature and share our experience, strength, and hope. Two initiatives of the committee currently active are:

- Al Anon members/volunteers are going into a rehab center in our area, currently only with residents as family members are not permitted due to COVID
- A new beginners meeting is up and running on Saturday mornings at 11:30 am on zoom. Information is on the Rochester AIS website.

Over the last few months, more of the virtual meetings have gone back to meeting in person. Some are holding hybrid meetings, while others remain virtual.
