We also still need a host District or Districts for the **2023 NYN Spring Convention and Assembly** which is now only nine months away. The Spring Convention site usually rotates between Albany, Binghamton, Buffalo, Rochester, and the Area North of Albany. This is also where many of our NYN groups are located and where many of our larger hotels and conference centers are also located as well. It is not required that your District be in one of these areas in order to host the convention in one of these areas, but it helps to know what facilities are available there. What is needed from the host districts is to come up with in person and virtual non-business-related programming such as a panel, workshop, or ice breaker event for Friday evening of the Assembly as well as to put together a Spiritual Panel of speakers from AA, Al-Anon, and Alateen for Sunday Morning. On Sunday Mornings, there is usually a Spiritual Panel of speakers.

We also still need a host District or Districts for the **2023 Fall Election Assembly** next September. These events may be being held in Hybrid form or totally in person. Would your District please consider hosting the 2023 Spring Convention or the 2023 Fall Assembly?

If your District is considering hosting the 2023 Spring Convention and Assembly or the 2023 Election Assembly, please remember that you do not have to do it all alone. As Convention Coordinator I have guidelines, past convention notes and other documents that I can share with you in addition to my own experience strength and hope and others who have worked on Conventions and Assemblies before. You are not alone.

Love in Al-Anon Service,
Jim M. Convention Coordinator, Panel 61
