

Summer New York North AWSC Meeting: August 26, 2023

New York North Group Records Coordinator

Below is the data collected and compiled from the district group records coordinator for the months of May 2023-August 1, 2023

New groups registered with the WSO	7
Groups becoming inactive	8
Group changes with respect to CMA's	3
Group changes with respect to GR's	10
Group changes regarding e mail address updates	9
Requests for new certificate of insurance	1
Requests for certificate of insurance renewals.	2
General requests such as phone calls or e mails	15

This stretch of time since our Spring meeting has been considerably more quiet than previous time frames. I would like to believe that via DR's and GR's significant networking has been done. I have noticed that by the time a question or final recommendation reaches me, someone from NYN has outreached to their group. Kudos to everyone who has played a significant roll in this. The requests for a group detail change have been very thorough.

Respectfully submitted,
Joan L. Group Records Coordinator NYN
