Office or Committee Name: AAPP

### Report:

We are more than two months into the AMIAS recertification process. OF the 57 original, 34 have completed and are up to date with their certifications. We gained two new AMIAS and there has only been one AMIAS that will not continue to be certified by personal choice/circumstance.

7 of our original 11 Alateen groups have recertified. Unfortunately one group closed after 2 years of non-attendance. I was recently informed of a new group that is just starting the process of getting certified.

The AAPP position helps to protect alateens , by facilitating the process of vetting the adults that choose to be AMIAS and group sponsors. I am here to assist anyone that wishes to be involved in this very special 12th Step work.
