Your name: Maria S. Date: 5-1-24

Office or Committee Name: Public Outreach

Report:

When the area officer and coordinator positions rotate every three years, there is always a flurry of posts to the WSO Online AFG Connects forums by the newly-elected, so I have been keeping up with those. I will review the WSO Public Outreach folder as well as the Public Outreach folder in our own NYN Archives. WSO is now offering bimonthly Public Outreach Coordinator meetings on Zoom, so I plan to attend those. I hope with each NYN Newsletter to post at least one idea per month for districts and groups to consider for their own Public Outreach activities. Since every aspect of our world took quite the hit with COVID, we need to get the word out that AI-Anon is here to help. If anyone has any questions, please email me at: po@nynafg.com.
