Vicky D. AAPP, amias@nynafg.com

There are 35 fully certified/recertified AMIAS

With this cycle we have gained two new AMIAS.

There are 10 AMIAS that have declined recertification and 10 AMIAS that have not recertified or declined. These folks have been contacted to remind them of the upcoming deadline.

Information regarding the recertification of Alateen groups is not ready at this time but will be forthcoming at a later date.

Respectfully submitted,
