Report:

I am glad to be back to another year of service in the fellowship of Al-Anon. As your Presentation Coordinator for the current panel, it continues to be my honor to represent your needs and concerns for the next three years.

As I mentioned before, I was the Literature Coordinator and E-Meeting Host Coordinator for New York North. I have been a Group Representative and District Representative for District 26 for fourteen years. It has been my joy and privilege to be a part of this loving family group, and I continue to look forward to being with everyone virtually or in person over the course of this three year appointment.

What does a Presentation Coordinator actually do? It is my "job" to solicit suggestions for skits and performances to present at our yearly assemblies in the spring and fall of each year. I have reviewed a slew of skits, scripts, and presentations, and I get the fun task of deciding on the ones that can be acted out (with group participation) in front of our attendees at the annual assemblies. This past assembly, our talented group did a rendition of "The Wizard of Oz" with an Al-Anon flavor. These presentations relate to our service in Al-Anon; with a mixture of laughter, comedy, and dramatic flair, everyone comes away with a sense of accomplishment and purpose that we can all apply to our individual journeys in the fellowship of Al-Anon. I am hoping to recruit a few members to participate with me in the skit we will be doing at the Fall Assembly on Zoom.

Once again, I continue to thank everyone for your support and appreciation of what we do as an officer or coordinator in New York North. I look forward to getting to know more of our newcomers in the program, and I relish a reunion with those of us in the program with years of experience, strength, and hope to share with those around us.

With an attitude of gratitude,

Mike R.
