Office or Committee Name: Archives Coordinator

Since my July 20th report, not a lot has changed. I am still reviewing the information I have been given and I still have not had any requests for anything from Archives. .

I have, however, been pulling information to use for the poster I am designing for the Archives table at the 2025 Spring Convention. Having lots of fun with that.

Yours In Al-Anon Service,
Janet Gleason-Rose
Archives Coordinator.
