Report:

- Al-Anon Faces Alcoholism- no longer an annual publication. Last publication was in 2020. There is a recognized need for updating. Current discussions include “evaluating the production of physical copies and digital formats, incorporating results from our 2024 member survey, and featuring fresh content from Al-Anon and Alateen members, as well as professionals. This potential update is still in the planning stages, and while we don't have a set timeline, we are exploring the possibility of publishing sometime next year.”
- The new booklet, *Healing within Our Alcoholic Relationships-A Collection of Insights from Our Shared Journey* (P-95), cannot be preordered, but it looks like it will be available sooner than originally planned. Check the online bookstore on al-anon.org on September 16. The cost is \$4 each or \$540 for a case of 150.
