Report:

Rochester AIS report for Assembly, fall 2024

1. By laws amended to allow dual members to represent their groups and vote as ais meetings, this member cannot be the alternate gr. We encourage groups to use their own judgment as to isr qualifications in line with service manual.
2. Our office Site is changing. Rochester AIS is moving to a larger office in October, near our present office. This space will be close to building entrance and offer better lighting and more rooms. We have purchased new computers and software. These decisions followed robust discussions about prudent reserve, how to cover the new costs. We believe this will be a better way to serve family and friends of Alcoholics. Fundraising is being planned. This is an opportunity to let groups know what the office can offer, including expanding hours to 4 days a week.
3. Our events Calander includes opportunities to attend with NY south for service manuals study. AND Blissful Bingo activity and fellowship 9/21/24!
4. 2 new meetings started in Batavia area.
5. Outreach to Overdose Awareness Day in August. We continue visiting Treatment clinic twice monthly with Al-Anon meeting and to a women's transitional housing site in Rochester. We have connected with case manager who works with at risk men, they are using Forums as reading material for families. Two outreach fairs with large attendance scheduled in Sept and October.
6. Intergroup rep visiting meetings to share information about isr/ny north using graphics presented at last AWSC meeting-and handing out outreach materials.
7. Our Alateen group is open and has teen membership, looking for AMIAS to help.
8. All positions filled for 2024 except Vice-Chair.
9. Thanks to Maggie G. for representing AIS Rochester as I cannot attend.

Respectfully submitted

Loron O.
