### Report:

- Next WSO Literature Coordinator meeting is August 13
- Copyrights-
  - Obeying copyrights helps safeguard the message as well as the resource of CAL. Ensures the information is being used as intended.
  - Exception is when CAL is used in a meeting or workshop  
“provided they do so for a one-time use (such as for a meeting topic), the photocopy or post is limited in scope to content possible to be shared and discussed during one meeting, the material is not for sale or distribution beyond the group, and electronic postings do not persist beyond the timeframe of the meeting.”
- Opportunities to [Share your Story](#)- Sent Sharings collected from Spring Assembly to WSO headquarters. Still time to share!
  - Sponsorship and Service Sponsorship [Writing Guideline](#)
  - Finances in Recovery [Writing Guidelines](#)
- Why does it matter where I buy my CAL?
  - LDCs purchase CAL at a discount and get it to local people quickly.
  - You support your district's local services.
  - If you buy from other vendors, Amazon etc, none of the money earned supports WSO or local services.
