### Report:

- Next WSO Literature Coordinator meeting is May 8
- Use of discontinued C.A.L.
  - Literature that is discontinued undergoes a process to make sure members will still have access to the information/ topics and it is no longer utilized on a large scale.
  - Even still, there may be circumstances where a group wishes to use the discontinued literature.
  - Each group should use group conscience and autonomy to decide if this should be the case for their group
