

Winter AWSC 2025

New York North AFG Officer or Committee Report

First Name, Last Initial: Wendy L. Date: 03/29/2025

Office or Committee Name: Newsletter

Report: the newsletter continues to be published at or toward the start of each of ten months. The Website coordinator sends out the digital version to the existing email list and posts it on the website. The Newsletter coordinator maintains that email list, has the newsletter printed, and labels, seals, stamps and mails it. Occasionally she gets help from volunteers.

Until recently, as Newsletter coordinator I have maintained the mailing list, adding and subtracting names as they are sent to me, usually by the treasurer. Recently, Betty GM and Maria S. have reached out to subscribers and been able to reduce the snail mailing list substantially, from a high of 55 during my term to our present 34. I look forward to that number being reduced further. Each copy costs almost \$2.00 printed, labelled sealed and mailed.

Regarding contents, Statewide events are well-represented: Al Anon assemblies and conventions, AA conventions involving Al Anon. District events (days of sharing, etc, often also appear but I am unclear as to whether they all get sent in to me. In the near future I hope to canvas members as to what they most want and use from our newsletter.

It is possible that some groups are not receiving the newsletter in either form. I am not sure whether this has been cross-checked, and if so, how.

With Respect, Wendy L. Newsletter Coordinator.
