

Syracuse AIS Report
2025 Winter AWSC
Submitted by Kristi S, AIS Chair
3/24/25

-We continue to struggle to keep AIS positions filled. We were without a Service Center Coordinator for about 6 mos. Then we were without a secretary just as long and only recently filled it.

-Currently, the Alateen coordinator position is vacant and we have no active Alateen meetings in our Area.

-There is serious concern for the future of Syracuse AIS.

-For now, our group is maintaining literature, office space, financials, answering messages and emails and maintaining our website.
