

Spring Convention/Assembly Report
May29.30,31 2009

Dear NYN Family

I have been busy answering emails from Kathy our webmaster to the proper requests along with filling some my self.

I haven't gotten any e-communities e-mail from the WSO since before the AWSC so I will remind you of what was sent to me that I forwarded to your DR's at the AWSC. I hope the information was helpful to your groups and you are using it in your districts and your groups.

Have any of you viewed the ABC Super Nanny Show aired on ABC. Your DR has a copy of the instruction on how to access it on the internet? Check it out if you have not. What about the News Release to publish in your local paper stating what Al-Anon is all about? Have any of your Districts or Groups placed the add in your local paper. If you have please let me know the results.

Just a reminder the Order forms are out for the 2010 Al-Anon Faces Alcoholism are out. Our order last time for 2009 were up for the WSO but the order were down in our Area. We had 2150 orders and 1475 this last printing. Let's get theses figures up for NYN. Also if you ordered The magazine (our Public Outreach tool) Don't forget to fill out the survey that came with your order and return it to the WSO. I would enjoy a copy of the survey also and let me know the result of your distribution.

Keep watching for the PSA on TV and Radio and call and thank them for airing it and call the WSO and let them know you saw the PSA. Remember to email or call me if you want to know what TV and Radio station have the PSA in your area but have not shown it .You could call them and ask them to show it.

After my conference call in April I told you we are doing well in Public Outreach in NYN but we can do better. We never have to do anything alone."Together We Can Make It" Think about Service Sponsoring someone in Public Outreach.

Love and Sharing
